

Athlete Medical Information Files

[Pre-Participation Physical Exam Form](#) – This form is to be filled out completely before an athlete can first practice at Misericordia University.

[Medical Consent Form](#) - This form is to be filled out completely before an athlete can first practice at Misericordia University.

[Medical History Form](#) – This form is filled out when an athlete first begins participating in athletics at Misericordia University. It is then kept in the file of the athlete, and each year he or she will sign it.

[Authorization to Release Medical Information](#) – Due to current HIPAA laws, all athletes must sign this form annually. This form must be signed by the athlete and the certified athletic trainer. A copy of this form is then returned to the athlete.

[Emergency Medical Form](#) – This form is to be filled out annually. A copy is then put in the file of the athlete, in the medical kit of the sport the athlete participates in, and in the medical kits of each certified athletic trainer.

[Insurance Form](#) – This form is to be filled out completely before an athlete can first practice at Misericordia University. Also, a copy of the *front* and *back* of the insurance card that covers the athlete will need to be provided. These forms are in the file of each athlete at Misericordia University.
