2009 Season Preview

Mike Green

Andy Smith

The Misericordia University men's golf team continues to build team chemistry. The Cougars return five letter-winners from last season after a 6-10 (3-2 PAC) finish. This season, they make the jump to the Middle Atlantic Conference.

The team lost its top shooter, **Ryan Beliveau** (82.9 avg), to graduation, but maintains a strong veteran core in senior captains **Mike Green** and **Andy Smith**. "They're going to help some of the new kids become familiar with the courses and competition," head coach **Tim Foran** said. Green currently ranks ninth in career average (87.7). Last season, he averaged 87.9 and finished eighth at the PAC Championships. Smith, a multisport athlete, will look to improve on his 91.1.

"This is the deepest team I have had in the five years I have been coaching at Misericordia,"

Foran said. "I'm excited and hope to get off on a positive note as we journey down to Williamsburg, Va., for spring break."

Seth Shober is a year removed from a freshman season in which he averaged 84.9—second only to Beliveau. Shober tied for fifth in school history with a low round of 77 and was crowned team MVP.

Other returnees include sophomores **Daniel Grasi** and **Zachery Martin** and senior **Ryan Wesley**.

Newcomers include freshman **Bucky Aeppli** and juniors **Bryan Marzolino** and **Mike Sokolowsky**.

The season opens April 1 at Immaculata. The Cougars host Alvernia and Eastern on April 7 and Wilkes and King's on April 14 at Irem Temple Country Club in Dallas.

MISERICORDIA BELONGS TO NCAA, MAC, ECAC

Misericordia University belongs to the NCAA Division III, Freedom Conference/Middle Atlantic States Athletics Corporation (MAC) and the Eastern College Athletic Conference.

After competing in the MAC in swimming and track & field in 2007-08, MU is in its first full season in the Freedom Conference and MAC after 16 years as a member of the Pennsylvania Athletic Conference. Misericordia began ECAC and NCAA competition in 1992.

The MAC sponsors competition in 11 men's sports: baseball, basketball, cross country, football, golf, indoor track & field, lacrosse, soccer, swimming, tennis and outdoor track & field; and 11 women's sports: basketball, cross country, field hockey, indoor track & field, lacrosse, soccer, softball, swimming tennis, outdoor track & field and volleyball.

With approximately 430 members and 150,000 student-athletes competing annually, Division III is the largest of the NCAA's three divisions.

Division III institutions place high priority on the overall quality of the educational experience and the successful completion of all students' academic programs.

Formed in 1938, the ECAC is the nation's largest athletic conference with more than 300 members in Divisions I, II and III from Maine to North Carolina.

ATHLETICS FACILITIES

The athletic facilities at Misericordia University are highlighted by the **Anderson Sports-Health Center** and the **Anderson Outdoor Athletic Complex**.

Since 1993, the **Anderson Center** has provided a home for the Cougars basketball, volleyball and swim teams.

The building houses the athletic department offices, campus health center and nursing, physical therapy and occupational therapy classrooms and laboratories.

The center features a six-lane swimming pool, indoor track, racquetball courts, fitness center and an aerobic/dance studio. The **Anderson Sports-Health Center** attracts more than 75,000 visitors annually for recreational use.

Mangelsdorf Field at the **Anderson Athletic Complex** was constructed in 2002 and serves as a home for the soccer, field hockey, lacrosse and track & field programs.

The complex features a synthetic grass field and a six-lane synthetic track which allow MU's student-athletes to remain active even when weather conditions are less than ideal.

Named for the late **Dr. Robert S. and Geraldine Ruth Daley Anderson**, the **Anderson Sports-Health Center**, **Anderson Athletic Complex** and **Anderson Fields** are tributes to their commitment to Misericordia University.

Mangelsdorf Field honors the dedication of **Jack and Dorothy Mangelsdorf** to MU and the region.

The Misericordia tennis complex was built in 2004 as part of a gift by the M&T Foundation.

MISERICORDIA UNIVERSITY IN BRIEF

Misericordia University is a liberal arts based, co-educational Catholic institution serving both residential and commuting students.

Founded in 1924, Misericordia is the oldest four-year institution in Luzerne County and made the transition to University status in 2007.

Sponsored by the Religious Sisters of Mercy, MU is one of 18 Mercy institutions in the United States.

Misericordia welcomes individuals from all faiths and offers a variety of liberal arts and professional programs at the undergraduate and graduate levels.

MU offers 30 majors in three academic colleges: Arts and Sciences; Health Sciences; and Professional Studies and Social Sciences.

The University is dedicated to the values of the Sisters of Mercy: mercy, service, justice and hospitality. These values can be found throughout the University, from programs of study to service projects.

The hallmark of MU is a dedicated faculty and a high quality core liberal arts and sciences curriculum.

In addition to their diploma, MU students can participate in the school's Guaranteed Placement Program. The GPP is a promise that, within six months of graduation, students will have a position in the career of their choice or be enrolled in graduate school, or the University will provide a paid internship in the student's field of study.

With a total enrollment of 2,355 students, Misericordia offers the benefits of a small university with the scope of a larger institution.

Classroom size is purposefully small to ensure personalized attention and our 12:1 student/faculty ratio allows students and faculty to truly know one another. Approximately 82% of MU's 94 full-time faculty hold a Ph.D. or other terminal degree.

In addition to academic pursuits, MU students participate in a wide range of athletic, recreational, spiritual, social and cultural activities with more than two dozen clubs organizations on campus.

MU sponsors 20 varsity sports including men's soccer, cross country, basketball, swimming, golf, lacrosse, track & field, baseball and tennis; and women's soccer, volleyball, field hockey, cross-country, tennis, basketball, swimming, softball, lacrosse, track & field and cheerleading.

After 16 seasons of competition in the Pennsylvania Athletic Conference, the Cougars made the move to the Freedom Conference and Middle Atlantic States Collegiate Athletics Corporation.

Misericordia won 29 total PAC championships and made the playoffs in field hockey, volleyball, men's and women's soccer, women's tennis, men's and women's basketball, women's lacrosse, baseball and softball in 2007-08.

Located in Dallas, PA, MU's 123-acre campus has a suburban atmosphere and is only nine miles from Wilkes-Barre and two hours from New York City and Philadelphia.

DAVE MARTIN
Athletic Director

Dave Martin is in his fifth year as director of athletics at Misericordia University.

In his first four years, the Cougars won seven Pennsylvania Athletic Conference championships and earned five NCAA tournament berths.

In addition, he has guided the Cougars through the transition from the Pennsylvania Athletic

Conference to the Middle Atlantic States Athletics Corporation (MAC).

He has also overseen the addition of men's tennis as a varsity sport offering at MU.

Martin previously spent 14 seasons as head men's basketball coach at CM. He also served as associate athletic director and coordinator of athletic recruiting.

He led the men's basketball team to 11 Pennsylvania Athletic Conference playoff berths and two PAC finals appearances.

Martin compiled 178 career wins at MU and was a four-time PAC Coach of the Year.

A graduate of Wilkes University, Martin earned a master's degree in education from Misericordia.

HEAD COACH
Tim Foran

Tim Foran is in his fifth season as golf coach at Misericordia University.

The Cougars have shown marked improvement in their first four seasons under Foran.

A year ago, the Cougars closed the season 6-10 and finished fourth at the PAC Championships.

Foran replaced **Jack Hoover** and the late **Arnie Garinger**, who both retired after serving as co-head coaches for the first 14 years of the program's history.

Foran has been a member of the PGA of America for 26 years and previously served as the Director of Golf at nearby Huntsville Golf Club for 10 years.

Foran has also served as head golf professional at Ballymeade Golf Club in Falmouth, MA.
