2009 Season Preview

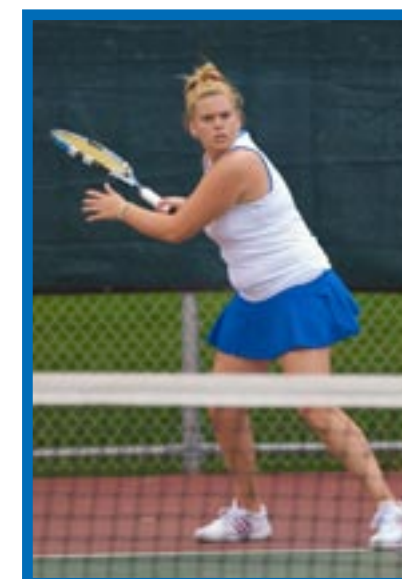

Entering their second season as a member of the Freedom Conference, the Misericordia University women's tennis team looks to build on the best season in their five-year history.

The Cougars set a school-record for wins a year ago (14-5 overall and 6-1 in the Freedom), including an eight-match win streak.

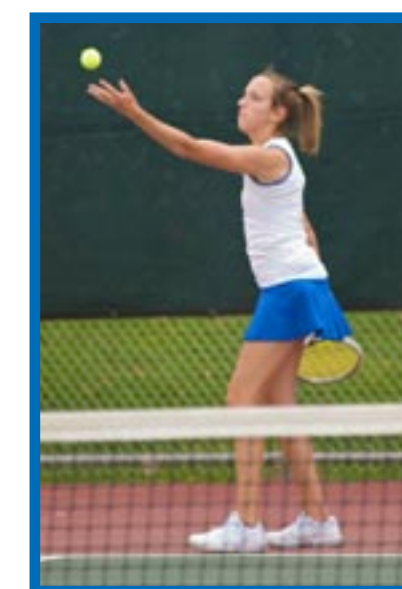

Eight letter winners return from the team that advanced to the Freedom Conference championship match. "We have the most talented and experienced team that we've ever had," said head coach **Allison Joanlanne**. "We are solid throughout the line-up. Our depth is probably our greatest strength."

Junior **Courtney Otto** returns after earning Team MVP honors a year ago. She was a second-team All-Freedom selection after finishing 11-7 in singles play, including a 6-1 league record.

Seniors **Abby Searfoss** and **Maura Haupt** also return along with juniors **Ashley Mangabang**, **Sam Scalpone**, **Jen Spott** and **Ellyn Wingert**.

Maura Haupt

Abby Searfoss

Searfoss was a first-team All-Freedom selection while Haupt and Mangabang were named second-team. Verret advanced to the MAC semifinals at sixth singles while Haupt and Otto teamed to reach the semis at second doubles and had the second-best doubles record on the team.

Mangabang and Otto tied for the team lead with 11 wins and second and fourth singles, respectively. Haupt had 10 wins at third singles and Searfoss had nine wins in the number one position.

Sophomore **Lauren Verret** rounds out the returning players while freshman **Jamie Tramontana** is the lone newcomer.

Verret and Ellyn Wingert combined for 14 wins at sixth singles.

Joanlanne is looking for the team to continue to grow the Misericordia tennis tradition. "We've gotten better with each season and have developed into a very good team in a few short years," said Joanlanne. "Our goals for this year are to keep getting better and to continue our winning tradition."

MISERICORDIA BELONGS TO NCAA, MAC, ECAC

Misericordia University belongs to the NCAA Division III, Freedom Conference/Middle Atlantic States Athletics Corporation (MAC) and the Eastern College Athletic Conference.

MU is in its second full season of competition in the Freedom/MAC after 16 years as a member of the Pennsylvania Athletic Conference. Misericordia began ECAC and NCAA competition in 1992.

The Freedom/MAC sponsors competition in 11 men's sports: baseball, basketball, cross country, football, golf, indoor track & field, lacrosse, soccer, swimming, tennis and outdoor track & field; and 11 women's sports: basketball, cross country, field hockey, indoor track & field, lacrosse, soccer, softball, swimming tennis, outdoor track & field and volleyball.

With approximately 430 members and 150,000 student-athletes competing annually, Division III is the largest of the NCAA's three divisions.

Division III institutions place high priority on the overall quality of the educational experience and the successful completion of all students' academic programs.

Formed in 1938, the ECAC is the nation's largest athletic conference with more than 300 members in Divisions I, II and III from Maine to North Carolina.

ATHLETIC FACILITIES

The athletic facilities at Misericordia University are highlighted by the **Anderson Sports-Health Center** and the **Anderson Outdoor Athletic Complex**.

Since 1993, the **Anderson Center** has provided a home for the Cougars basketball, volleyball and swim teams.

The building houses the athletic department offices, campus health center and nursing, physical therapy and occupational therapy classrooms and laboratories.

The center features a six-lane swimming pool, indoor track, racquetball courts, fitness center and an aerobic/dance studio. The **Anderson Sports-Health Center** attracts more than 75,000 visitors annually for recreational use.

Mangelsdorf Field at the **Anderson Athletic Complex** was constructed in 2002 and serves as a home for the soccer, field hockey, lacrosse and track & field programs.

The complex features a synthetic grass field and a six-lane synthetic track which allow MU's student-athletes to remain active even when weather conditions are less than ideal.

Named for the late **Dr. Robert S. and Geraldine Ruth Daley Anderson**, the **Anderson Sports-Health Center**, **Anderson Athletic Complex** and **Anderson Fields** are tributes to their commitment to Misericordia University.

Mangelsdorf Field honors the dedication of **Jack and Dorothy Mangelsdorf** to MU and the region.

The Misericordia tennis complex was built in 2004 as part of a gift by the M&T Foundation.

MISERICORDIA UNIVERSITY IN BRIEF

Misericordia University is a liberal arts based, co-educational Catholic institution serving both residential and commuting students.

Founded in 1924, Misericordia is the oldest four-year institution in Luzerne County and made the transition to University status in 2007.

Sponsored by the Religious Sisters of Mercy, MU is one of 18 Mercy institutions in the United States.

Misericordia welcomes individuals from all faiths and offers a variety of liberal arts and professional programs at the undergraduate and graduate levels.

MU offers 30 majors in three academic colleges: Arts and Sciences; Health Sciences; and Professional Studies and Social Sciences.

The University is dedicated to the values of the Sisters of Mercy: mercy, service, justice and hospitality. These values can be found throughout the University, from programs of study to service projects.

The hallmark of MU is a dedicated faculty and a high quality core liberal arts and sciences curriculum.

In addition to their diploma, MU students can participate in the school's Guaranteed Placement Program. The GPP is a promise that, within six months of graduation, students will have a position in the career of their choice or be enrolled in graduate school, or the University will provide a paid internship in the student's field of study.

With a total enrollment of 2,501 students, Misericordia offers the benefits of a small university with the scope of a larger institution.

Classroom size is purposefully small to ensure personalized attention and our 12:1 student/faculty ratio allows students and faculty to truly know one another.

In addition to academic pursuits, MU students participate in a wide range of athletic, recreational, spiritual, social and cultural activities with more than two dozen clubs organizations on campus.

MU sponsors 22 varsity sports including men's soccer, cross country, basketball, swimming, golf, lacrosse, indoor and outdoor track & field, baseball and tennis; and women's soccer, volleyball, field hockey, cross-country, tennis, basketball, swimming, softball, lacrosse, indoor and outdoor track & field and cheerleading. Women's golf will begin varsity play in 2011.
